

You have received 1 bag of 26 diapers labeled G and 1 bag of 26 diapers labeled H.

Use diapers labeled G first

Once diapers labeled G are finished you can start using diapers labeled H

### **Diaper Wear**

- Pull one diaper from the bag
- Put the diaper on as you put the ones you normally use
- Have the baby use the diaper as normally done
- When it is time to change the diaper, access the Diaper Wear Trial portal using the URL that has been assigned to your baby and enter the change log data.

### **Timing Section**

- Input the Put On Time of the used diaper. The system will automatically register the removal time when you access the log.

### **Observations Section**

- Input the observations by clicking “YES” or “NO” on each criteria.

### **Leak Grading Section**

- Click "NO" if no leak was detected or
- Click “YES” if a leak happened, the section will expand for you to select the location(s) where the leak(s) happened by clicking on the corresponding option(s).

### **Performance Grading Section**

- Click on the observed grade 1 to 5 (5 = Best) for each of the criteria.

### **Skin Grading Section**

- Click on the observed grade 1 to 5 (5 = Best) for each of the criteria.

### **Comments Section**

- Please input any comments or observations not included in the above criteria.

### **Submitting Your Entry**

- Click on the “Submit Entry” button. Your input will be automatically registered.
